Dear Parents/Carers

Re: COVID - 19

As I'm sure you will appreciate, we are currently dealing with a complex and rapidly changing situation. Our first priority will always be the health and safety of the pupils and staff in our school. Now more than ever, this remains our primary focus.

Already in school we have introduced a regime of handwashing at the beginning of the day, before eating, after break time, after lunch and at any other time when they have been outside, as well as after coughing or sneezing.

As of yesterday's government guidance, we ask that if your child has either a high temperature or a new, continuous cough, that you keep them at home and self-isolate them for 7 days. If your child develops these symptoms at school, we will call you and ask you to take them home.

This is an entirely unprecedented situation and we are following official advice from the government and the NHS. This advice is being added to on a daily basis and we are monitoring and responding to that as it is published. This official advice will underpin all the actions we take.

Kind regards,

Catherine Ogle.

Catherine Ogle
Head of School.
