KS1 children need to bring their disco outfit to school with them in the morning. They will change in their class room at the end of school and go into the disco with their teacher.

KS2 children will enter through the rear doors (doors near the water fountain) there you will be asked to pay and sign your child in.

Both key stages - When collecting your child please wait outside the hall double doors in the playground. At the end of the disco you will be invited in to collect your child and exit through the rear hall doors.

You will be asked on exit of who you are taking so they can be marked out. This will allow helpers to ensure that all children are collected safely. No child will be able to leave the disco without an adult escort. Person collecting must be over 16 years of age.

All children will be offered drinks and snacks during the disco.

A verbal warning will be given for any inappropriate behaviour. If it continues, parents/carers will be contacted and asked to collect the child.

Only current Reepham School children will be allowed entry.

No mobile phones or photography.
