26th March 2026

Dear Parents/Carers,

As we come to the end of what has been a very busy term, I want to take a moment to celebrate the many enriching experiences our children have enjoyed. Alongside their regular curriculum, the pupils have benefited from a wonderful range of visitors, workshops, and special activities—each one offering something unique to spark curiosity and broaden their horizons.

I am incredibly grateful to all our staff and the wider school community who have given their time, energy, and expertise to make these opportunities possible. Your dedication ensures that our children experience learning that is not only meaningful but also memorable. The children have been so excited by everything from the new Workout Wednesdays to the Precious Water project and much more!

Thank you for your ongoing support. It truly makes a difference.

Reading Café dates 2-3pm

Sorry that we had to rearrange the Year 6 reading café due to staff absence. Please find the new date below:

Nursery- April 17th

Reception- April 24th

Year 2- June 5th

Year 3- May 1st

Year 4-May 15th

Year 5- May 8th

Year 6- May 22nd

Clothes swap

Following on from the success of our book swap sessions, we are pleased to announce our first clothes swap. This has been inspired by our 'Precious water' project where the children recognised the amount of water new clothes use in manufacturing. These projects also help to contribute to our school achieving success with our Climate Action Plan. More details to follow separately but the clothes swap will be held after school on Friday April 24th.

Japan visit

Thank you for all of your interest in our recent trip to Japan. We can't thank the Sakado Azuma Kindergarden enough for their generosity. We know we are incredibly lucky to be part of this partnership that allows us to teach in another part of the world fully funded by the school in Japan. We learn so much as teachers from these visits, but it has been incredibly special to see the children so interested and inspired by the videos, photos and experiences that we have shared this week in school. The children are looking forward to Shizuka visiting us in April.

Sushi making workshop

During her visit, Shizuka will run a sushi making workshop for parents to enjoy with their children. This is an incredible opportunity. Unfortunately, we will only be able to offer a space to 12 families but if it is a success we will repeat each time she visits Reepham. I am just waiting for confirmation from Shizuka but I expect this date to be on April 22nd. Very early next term, we will send out confirmation and ask for people to express an interest and then names will be pulled from a hat.

Update on the amalgamation with Corpusty School

As you know from the consultation documents, the closure of Corpusty School is going ahead and the amalgamation with Reepham Primary for September 2026 is confirmed. We are still unaware of how many children will join our school over the next few months, but we look forward to welcoming both the children and adults to our school community.

Parking

Please refrain from parking on the grass areas on Sunbarn Road. This is land maintained by the residents themselves and we would really like to respect their wish to keep these areas safe and nice rather than turning them into a muddy car park.

We wish you all a very restful holiday.

Caroline Henry
