Dear Parents and Carers,

### **Eves Hill Farm Trip – Thursday 18<sup>th</sup> June 2026**

Jeremy Buxton has kindly offered to give us a tour of his farm in Booton. We will get the opportunity to see mixed farming in action and look at modern farming methods of regenerating the soil and of diversifying from traditional farming. This obviously ties in perfectly with the next part of our Sow, Grow, Farm unit on UK farming.

To save on the huge expense of hiring a coach and given that the farm is just a few minutes out of Reepham, we are really hoping that many of you will be able to support us by lift shares to get there for 9.00am and to pick up at 2.45pm to return to school. On the form attached please record who will be taking and collecting your child and if you have any spaces. I realise that due to work and other commitments that transport may not be possible for many parents. Please try to contact one another on the parents' class group chat and let me know if you are still having difficulties arranging a lift-share. We will find a way to get all the children there.

We will be going even if it is raining, so please ensure the children have waterproof coats and trousers. I know many people have these, but in case of a problem, please let me know via Seesaw. Your child also needs sturdy, waterproof footwear – either wellies or walking boots.

Please also provide a packed lunch unless you usually have free school meals, in which case please tick the box below and a packed lunch will be provided. The children will also need a snack and drink to have mid-morning at the farm – no nuts, sweets or chocolates, please.

Jeremy warmly welcomes any parents who want to join our visit out of their own curiosity. I will certainly need a few helpers too. If you would like to join us that day, please tick the box on the attached sheet.

There will be no charge for this trip. Please return this form asap, by this Friday, 5th June 2026

Kind regards,

The Year 5 Team
