

## **Reepham Primary School Admission Statement**

We follow the Local Authority Admissions Guidelines.

In the event of the school being oversubscribed places are allocated according to the following criteria in order of priority:

- Children who have an Education Health and Care Plan naming Reepham Primary School
- Children adopted from care
- Children who live within the designated area and have a sibling attending the school at the time of their admission.
- Children who live within the designated area and have no sibling connection.
- Children who live outside the designated area and have a sibling attending the school at the time of their admission.
- Children who live outside the designated area and have no sibling connection

Within each category preference is given to children living nearer the school, measured as the crow flies rather than a road route.

It is the responsibility of the Local Authority to allocate places rather than the school itself.

In KS1 the statutory limit is 30 per class is 30.
