Dear Parents/Carers,

That concludes the quickest half term on record! We have still managed to fit in everything from hosting our international teachers, completing SATs tests in Year 6, lots of school trips and of course a lot of running...

Run-a-thon

This was a fantastic event. I was blown away by the turn out. Huge thanks to Rose, Emily and the Friends committee for organising a very well organised, enjoyable event. I think the children will remember the experience forever. The amount of money raised was incredible and will make such a huge impact on all the whole school. Children spend nearly 20% of their school day at break and lunch and we know the importance of play in developing the whole child. Over the next year, we will be improving our outdoor spaces to promote play for all and the funds from the run will go towards this project.

Japanese visit

The headteacher from our link school in Sakado, Japan visited in April. The children had a great time learning Japanese, practicing writing, listening to stories and most importantly tasting traditional Japanese food. This year Shizuka made over 200 fruit sandwiches on one day so that everyone could join in. It is lovely to see the children embracing these new experiences.

Register on Arbor

Thank you to everyone who has registered an account with Arbor. If you have not already done so, please register using your individual link that has been sent to you by email. We will be transitioning to Arbor over the coming weeks. If you have not received a link, please contact the school office.

Parking RHSC

We have been asked by Reepham High school to politely ask you to not park in their school car park for collection and drop off times as the extra traffic is causing problems.

Transition day

Whilst the Year 6 children visit the high school, every child will have the opportunity to spend time with their new teacher to prepare for September. Other dates have also been arranged but this is the main event. I will be able to confirm the staff structure the week before so that you can prepare and chat at home.

Safeguarding

Please find a link to help when preparing/ supporting your child for change/transition.
