Welcome back

A very warm welcome back to everyone at Reepham Primary School and an especially big welcome to all the new children and families who have joined us this term. We hope you are already beginning to feel part of our wonderful school community. I would like to start by saying a huge thank you to all our parents and carers for your continued support with attendance and punctuality, it really does make such a difference. We can already see the positive impact that being in school, on time and ready to learn is having on how quickly the children are settling into their new classes, routines and friendships.

As always, please remember that my door is always open. If there is something you would like to talk about, please come and find me in person on the school gate. I am usually at the back of the building at the beginning and end of the day.

Alternatively, you are always welcome to contact me by email at

head@reephamprimary.org.uk

Thank you, as always, for everything you do to support our school. Here's to a happy, successful and exciting term ahead.
